

Get to know the Whites of Wausau.

So you can get better acquainted, we've assembled this family album. As you can see, we've used their help to show how each family member of this distinctive clan is intriguing in a unique and very special way.

These particular Wausau representatives are of text and cover lineage. They're truly quality stock, yet they reside in a very affordable neighborhood.

Whatever personality your printing needs, call on our Whites. Their versatility and wide range of personalities make them dependable partners for any situation.

We know you'll get along great.

DEAR DAD —

I TOOK YOUR ADVICE AND
WENT TO BANK OF NEWPORT LIKE
YOU SAID. THE RATES WERE PERFECT
AND NOW HERE I AM, JUST A
SHORT WALK TO THE WATER

Dear Freddie,
I moved all my accounts
to Bank of Newport. They've got all
sorts of new-fangled things - Visa
Checkcards, Touch Tone Banking, Bank Line.
But best of all, here's a bank with branches
open on Saturdays!

If you were smart you'd move
your stuff to Bank of Newport and
then you'd enjoy your spare time as
much as I do.

Dad

Dear Mom,
I'm really glad I left
the rat race to start out on my own.
This area is great, and guess what?
I got my small business loan!
The people at Bank of
Newport have been absolutely
marvelous!

Love,
Amy

P.S. Met this nice guy named
Freddie! His old man's a real trip!
You should meet him!

As you probably know, Bank of Newport
has served this area for over 175 years.

We're not a huge bank caught in
"merger mania" just for profit. On the
contrary, as a Mutual Bank, we feel we are
an integral part of the fabric of this
community and we intend to stay that way.

As president of the bank, I am always
interested in ways we can improve our service.
So, I'd like you to come into any branch
and write me a note on the cards you'll
find there.

At Bank of Newport, I consider
the most important opinion is yours.

Peter
